Vitesses moyennes par tour

The chart displays the average speed for each of the 125 laps. The y-axis is labeled 'V moy' and ranges from 15,00 to 35,00 km/h. The x-axis is labeled 'Nb tours' and ranges from 0 to 125. A red line indicates the overall trend, which starts at approximately 26 km/h and gradually declines to about 22 km/h by the end of the race. The bars show individual lap speeds, with several peaks above 30 km/h and some drops below 20 km/h.
